The Leadership Tightrope

Practical Leadership for the Decisions That Shape People, Culture, and Performance

Karen gives audiences a practical way to navigate the everyday leadership decisions that carry real consequences. Her programs are thoughtful, engaging, and built to leave leaders with ideas they can use as soon as they return to work.

KAREN'S LEADERSHIP FRAMEWORK

LISTEN
Hear what matters.

WEIGH
Consider people, facts, and impact.

ACT
Make the decision.

REFLECT
Learn and adjust.

AUDIENCE TAKEAWAYS

- Make better leadership decisions when people and business priorities compete
- Communicate with greater clarity, consistency, and accountability
- Recognize how everyday leadership behavior shapes trust, culture, and results

SIGNATURE PROGRAMS

The Leadership Tightrope
Balancing people, performance, and the decisions in between

Small Actions, Big Reactions
How everyday leadership behavior shapes workplace culture

Leadership Before the Title
Building leadership skills before the promotion arrives

WHY PLANNERS CHOOSE KAREN

Karen brings a grounded, real-world perspective shaped across small businesses, nonprofits, education, sales, manufacturing, publishing, engineering, finance, insurance, and entrepreneurship.

Her programs connect leadership theory to real decisions, giving event organizers substantive content that works for experienced leaders, new managers, and mixed-level audiences.

> *Leadership is practiced, not achieved.*
